TECHNICAL SPECIFICATION

Application

- step edge protection with integrated warning lighting

Mounting

- with screws appropriately selected for the mounting surface

Additional information

- LED strip concealed under a silicone cord
- space for LED strip: 0.29" / 7.41 mm

It is a smaller and economical version of STEP extrusion designed for lighter conditions of use.

Turn off LED lights during peak day light hours in outdoor applications to avoid excessive heat buildup which will result in diminished LED life.

AVAILABLE LENGTHS
