LED 4ft. Vapor Tight light

PLEASE REVIEW THE INSTRUCTIONS AND WARNINGS LISTED BELOW PRIOR TO PROPER INSTALLATION

WARNING

- If you have any doubt, consult a qualified electrical.
- Disconnect the main power before installation.
- The chosen location of your new fitting should allow for the product to be securely mounted (e.g. to a ceiling joist) and safely connected to the mains supply (lighting circuit).
- If the location of your new fitting requires the provision of a new electrical supply, the supply must conform to the requirements of the latest edition of the NEC wiring regulations.
- The light source is LED and irreplaceable.

MAINTENANCE AND REPAIR

- Do only carry out maintenance and repair that is described in these instructions. In case of malfunctions and damage please contact an authorized electrician.
- Please turn off power supply before maintenance and let the product cool down.
