

Important: Read all instructions prior to installation.

LED Step Light

SLRB-xK2-12V

SLRB-xK4-12V

Specifications

Environmental Specifications	
Operating Temperature	-4°–113° F (-20°–45° C)
IP Rating	IP65

Check product label for specific electrical specifications related to installation.
Improper installation will void warranty.

Safety and Notes

- Keep lamp away from flammable materials.
- Do not operate the luminaire fitting with a missing or damaged shield.
- **WARNING:** Risk of electrical shock. Make sure that the power is turned OFF before installing or servicing this luminaire.
- The main low voltage cable is intended for shallow burial [less than 6 in. (152 mm)]

Installation

EXISTING INSTALLATION

1. Use the back plate as a template to mark where wiring and mounting holes need to be placed. Note: Use a strain relief for wiring as needed.
2. With supply power off, connect wiring using waterproof connectors.
3. Mount light securely and check for proper operation.
